## District-Wide Programming

**D303 Community Preschool Program** - Serves children ages 3 to 5 who are progressing at a rate typical for their age. The tuition cost for the program is \$250 per month. A \$50 non-refundable enrollment deposit and \$73 annual registration fee will also be required. CUSD 303 conducts an on-line registration process for our tuition based preschool classes operating out of Fox Ridge and Ferson Creek Elementary Schools as spaces are available. If spaces are available, students can enroll any time during the 2013-2014 school year.

**An enrollment lottery for program registration for the 2014-2015 school year will be held after January 1, 2014**

**Early Childhood Special Education** - Serves children ages 3 to 5 who are experiencing difficulty in one or more areas and have been identified as having a disability. Service options and programming are available for children determined to be eligible for special education services through an evaluation process and IEP.

**Preschool for All** - Serves children ages 3 to 5 years old who are screened and identified as not progressing at a rate anticipated for potential success in kindergarten due to one or more at-risk variables. At-risk factors can include delays identified on screening instruments and family environmental factors.
